REGISTRATION PERIOD

Registration ends Sunday, March 25th. We will be on hand at the basketball tournament held in the Sunderland Elementary School Wednesday, March 14th through Sunday, March 18th.

ELIGIBILITY

Children, boys and girls, in grades 2-5 are eligible to play in one of two divisions. Our Rookie division is coach pitch and is structured for the younger player developing an understanding of the game and their physical skills. Our Minors division is player pitch for the player who is working on improving their physical skills and situational baseball strategy. NOTE: 1st grade players recommended by the Sunderland T-ball program may be eligible to play in the Rookie division depending on skills, available space, etc.

SUNDERLAND YOUTH BASEBALL

Sunderland Youth Baseball (SYB) is a self-funded, non-profit youth athletic organization which is parent and volunteer operated independent from the town's recreation program. The baseball fields and infrastructure behind the town hall is owned and operated by SYB in cooperation with the town. SYB invites all player parents to join operating this important community program.

PARENT PARTICIPATION

As part of the community athletic experience, SYB strongly encourages player parents to participate and support their child's organization throughout the season. Participation involves joining your athlete to help ready the field during field day, assisting the coach during practices and during games, etc. Both divisions benefit greatly when a few parents keep the bench organized, batting order moving, player's attention on the game, etc.

"OPTION OUT" FEE

The SYB registration fee reflects player parent participation. Any parent choosing to option out of the participation portion of our program can elect to pay the season "Option Out" fee. Proceeds from this option provide additional funds to maintain the program and its facility.
