TOURNEY TIME!

For three decades, as the first signs of Spring begin making an appearance, the gymnasiums of the local elementary schools have echoed with the squeaking of sneakers and the clamor of fans. But this is not just basketball, this is tournament time, when the long-historied rivalries ascend to their apex, and glories from the past are relived by those that made them. And each year a new group is sent forth to represent their towns and their teams, and each one strives to create new tales of glory that culminate in hoisting their own championship trophy. Indeed, it is time, time for the Sunderland Basketball Tournament!

Welcome everyone to the 30th year of the Sunderland Basketball Tournament. This annual event consistently provides an exciting means to close-out the basketball season for Frontier Rec League teams, and transition into the upcoming baseball season. Thus, it is exceedingly appropriate that the tournament is organized by **Sunderland Youth Baseball** as a fundraiser to kick-off our season. A large portion of these funds arise from donations made by local businesses, and are represented by ads and acknowledgments in this very program. So please, support them just as they have supported us and this amazing community event.

This past year, two local businesses were exceptionally generous in their donations to Sunderland Youth Baseball. We are indebted to **New England Greenscape** and their president, Steve Morse, for his consistent and continuous effort and guidance in maintaining and improving our baseball field. We are also grateful to **All States Materials Group** for rolling our field.

So, as we kick off another thrilling tournament, please load up on concessions and cheer on your team, for when we come together as a community, we all win.

Welcome

This tournament is a fundraising event which benefits the non-profit athletic organization Sunderland Youth Baseball, so please enjoy our concessions located in the hall.

This program includes ads placed by our many sponsors. We hope you will support them just as they have supported our children and this wonderful annual community event.

Our participating teams are under development to improve their basketball skills, so please only offer positive encouragement and be respectful of the referees.
